

## Task 7: Can-do statements and reflection:

(CLIL Lesson Plan - Mixing protein dough classic nougat)

1. After studying the topic, I can:	Yes	No	Not sure
<i>Explain the importance of the main components and processes of nougat preparation to obtain a quality product.</i>			
<i>Describe the use of nougat for confectionery.</i>			
<i>Analyse the “recipe” composition and ratio of raw materials in the preparation of nougat.</i>			
<i>Correct defects that occur during the preparation of nougat.</i>			

2. Discuss with a partner:

- What new words did you learn?
- What was the most fun part?
- What was easy/difficult?
