

### **Task 3. Fruits and vegetables talk – learn, say, decide:**

(CLIL Lesson Plan - From Farm to Table: Local Seasonal Products)

1. *Work with a partner. Look at the [fruit and vegetable flashcards](#). Learn how to say and recognize each item in English.*
2. *Take turns choosing a word and asking your partner:*
  - Is this local in our country?
  - When is it usually harvested?

If you're not sure, check the seasonal produce chart or ask your teacher.
3. *After 6–8 items, choose one fruit and one vegetable that:*
  - Are local;
  - Are currently in season (or soon will be).
4. *Share your two items with the class and say why you picked them.*
