

Answers to the tasks in the HOUTs

CLIL Lesson Plan - Cake with Brandy Tube

HANDOUT 1: answers may vary, no answer key needed

HANDOUT 2: Matching exercise

- A. Eggs → 1. Provide volume to the dough
- B. Wheat flour → 4. Give structure to the dough
- C. Sugar → 3. Add sweetness
- D. Starch → 2. Thicken the cream
- E. Whipping cream → 5. Prepare the cream
- F. Vanilla sugar → 6. Add flavor

→ **Additional exercise:** the correct answer to the multiple-choice task is **whipping cream (B)** because whipping cream is a key ingredient in brandy tube cream, providing a smooth, rich texture essential for the filling.

HANDOUT 3: True or False Quiz Answers

1. T – Too much flour or over-kneading.
2. T – Underbaked or sudden temperature change.
3. T – Too much liquid or incorrect mixing.
4. T – Egg whites under-whipped, causing lumps.
5. F – Sugar is needed for structure; reducing it affects texture.

HANDOUT 4: answers may vary, no answer key needed

HANDOUT 5: answers may vary, no answer key needed
